Re: Postponement of the 27th China International Exhibition on Packaging Machinery & Materials (Sino-Pack2020) cum China (Guangzhou) International Exhibition on Packaging Products (PACKINNO2020)

Dear Exhibitors and Friends in the Industry,

Since the occurrence of COVID-19, we have been closely monitoring the situation. The virus is now largely under control in China, but poses a high degree of uncertainty globally. China has now a formidable task of fighting against local rebound infections while preventing the next wave of outbreak from imported cases.

On 8th April 2020, the State Council of China issued the circular of “The Further Control and Preventive Measures of the Novel Coronavirus at Key Venues, Units and Groups”. According to “Preventive Suggestions” in the circular, it has clearly mentioned that all kinds of exhibitions have to be stopped for the time being.

Under such circumstances, the 27th China International Exhibition on Packaging Machinery & Materials (Sino-Pack 2020) cum China (Guangzhou) International Exhibition on Packaging Products (PACKINNO2020) will be further postponed from 30 Jun-2 Jul 2020 to 4-6 March 2021, and the show venue will remain unchanged at Area A, China Import and Export Fair Complex in Guangzhou.

Taking this opportunity, we would like to express our heartfelt thanks for your continual support to Sino-Pack/PACKINNO and we sincerely apologize for any inconvenience caused by the postponement. As the show organizer, we have to put the safety and health of all show participants as our top priority and would appreciate your kind understanding. Regarding the participation fee paid by exhibitors, we will make the necessary arrangements and notify you soon. Please be assured that the Adsale team will always be at your service and will do our very best to assist our exhibitors, visitors and partners to tackle any difficulty arising from the show postponement.

We believe Sino-Pack/PACKINNO to be held next March will be a better timing for participants from around the world to have quality exchange. Exhibitors will also be more prepared in supporting the new market demands brought about by market recovery.

In the coming days, we will roll out the preparation work for Sino-Pack/PACKINNO 2021. We look forward to meeting you in Guangzhou. In the next spring, let's work together towards greater heights!

Yours sincerely,
Adsale Exhibition Services Ltd.
